CAREER OPPORTUNITIES

GRAPHIC DESIGNER

If you are a motivated graphic designer with 5+ years' demonstrated experience and a quality portfolio, EPI-Colorspace has an opening available. The position requires a self-starter able to take on multiple assignments who can continuously develop, execute and deliver creative solutions in a fast paced, deadline-driven work environment. Substantive exhibit, print, web and presentation experience essential along with solid production skills. Individual must be personable, detailed-oriented, possess strong communication skills and be able to constructively interact with staff/clients/vendors on a daily basis. Send resume and salary requirements to: jobs@epicolorspace.com or fax to 301-990-7890.

SERVICE BUREAU TECHNICIAN

EPI-Colorspace seeks an experienced service bureau technician able to coordinate, troubleshoot and output both internally- and client-generated graphics files on a variety of high-end output devices. Extensive knowledge of all popular graphics software packages essential, including PhotoShop, InDesign, Quark Xpress, Illustrator and Freehand. Must also have ability to recognize/achieve critical color match requirements. Flexibility, adaptability and ability to multi-task and meet deadlines in a fast-paced production environment are critical. Position involves working with Lambda digital photo printer, large format inkjet and vinyl eco solvent printers and Canon printer/copier. Send resume and salary requirements to: jobs@epicolorspace.com or fax to 301-990-7890.

ACCOUNT EXECUTIVE

EPI-Colorspace is in the process of expanding its account sales staff. Individual must be highly motivated, personable, be both teacher and learner, and have demonstrated capacity to source, close and service multiple accounts. Extensive interaction and consultation with customers requires well honed communications, presentations and people skills, along with broad-based knowledge of the exhibits/graphics industry. Professional experience in business/government/association sales and graphic design/production is essential. Send resume and salary requirements to jobs@epicolorspace.com or fax to 301-990-7890.
